EASY MODE

The Fast Host Plan

1. Pick 10–15 prompts that fit your crowd.
2. Split into teams only if the group is large.
3. Keep scoring simple: one point per correct guess or majority vote.
4. Let people explain their funny answers — that's the game.
5. Stop while the energy is still high.
6. Add a small prize if you like, but the stories are the point.

Tie-Breakers

1. Guess the year of a memorable family event.
2. Guess how many holiday photos are on the host's phone.
3. Name the oldest recurring family tradition.
4. Estimate how many times a favorite family phrase will be said tonight.
5. Guess who will be the last person still talking after the game ends.
